

TERRAIN TAMER

4WD CLUTCH KIT

The Terrain Tamer Clutch Kit has been designed as a replacement clutch that will withstand the extreme conditions found while travelling in Australia. Our Clutch Kits are manufactured in Japan to meet Terrain Tamer specifications, providing the owner of these components with precision engineering.

With over 40 years experience in designing, manufacturing and modifying 4WD parts, we understand in Australia the need to trust your vehicle.

Talk to our expert support team, who have a lifetime of experience on 1300 888 444 or visit terraintamer.com
